CIGARETTE & POSTCARD STARTER COLLECTIONS!

CIGARETTE CARD STARTER KIT

Get started on collecting these fascinating post-war pieces of social history. These cards were given away in packs of 10 or 20 cigarettes by makers such as Players, Wills, Ogdens, and many other makers. Subjects are diverse and can include football, cricket, birds, radio celebrities, film stars, wild flowers, and many others. We offer a good quality album with two rings and a padded binder, which holds and displays up to 500 standard sized cards, together with 50 different pre-1939 genuine cigarette cards.

OUR PRICE: EACH £15.95 (p&p£5.25)**

OLD POSTCARD STARTER KIT

Before the onset of telephones, most folk communicated by post. In 1900, the Post Office provided a reduced cost mailing service for postcards, costing one half penny! (½d). Thus a message card could be sent in the morning and delivered the next day or even later the same day in many cities. Postcard manufacturers published thousands of different topographical cards and postcard collecting became very popular. Today some cards are valued at many hundreds of pounds. We offer a good quality album to hold and display up to 200 old style postcards together with a collection of 20 different old (pre-1940) postcards of different subjects. Each album has a padded binder and safety clip.
